GENERAL DEBILITY and Indigestion

Made Her Life Miserable, but She is
Cured by

Ayer's Sarsaparilla

Read the testimony of Mrs. E. G.
Monroe, Coburg, Victoria, whose por-
trait is also given:

"Some few years ago I suffered
terribly with indigestion and gen-
eral debility. I could not sleep,
and my condition was such as to
make my life miserable. None of
the many remedies I tried did me
any good, and I despaired of ever
getting better. One of my friends
told me of the blood-purifying and
strength-giving properties of Ayer's
Sarsaparilla, and I began taking it.
Before I had finished the first bottle
I felt better, and was thus encour-
aged to give the medicine a thorough
trial. In all I used four bottles,
and then was perfectly cured of the
grievous trouble which had afflicted
me. I now recommend, to anyone
suffering as I did,

AYER'S SARSAPARILLA

LEGISLATURE IN SESSION.

LONG REPORT OF THE SPECIAL SENATE TAX COMMITTEE.

The Senate Makes a Start on the Bill
to Regulate Internal Taxes—Pro-
ceedings in the House.

THIRTY-NINTH DAY, APRIL 8.

THE SENATE.

After the usual preliminaries
Senator Brown presented a peti-
tion from all the physicians and
dentists in the city protesting
against the license tax of \$50
provided for in the new license
bill. Laid on the table to be con-
sidered with the License bill.

Senator Lyman from the Com-
mittee on Passed Bills reported
that House Bill No. 7, relating to
registration of male voters; House
Bill No. 13, regulating the size of
the National Ensign; Senate Bill
No. 17, relating to the Judiciary,
and Senate Bill No. 14, concern-
ing contested elections, had been
presented to the President for his
signature.

Senator Lyman from the special
committee on the petition of H.
Hackfeldt & Co. and the Kahuku
plantation for rebate of customs
duties reported that the property
on which the rebate was asked
had long been removed from the
Custom House; that to allow a
rebate on the same would be
contrary to the established rules
of the Custom House and would
be the means of establishing a
dangerous precedent to which the
committee could see no limit. It
was therefore recommended that
the petition be laid on the table.
On motion the report was adopted.

Senator McCandless, from the
special committee on the proposed
new Tax Law, presented the fol-
lowing report:

Your Special Committee to
whom was referred Senate Bill
No. 9, relating to Internal Taxes,
report that they have had the
same under consideration and re-
commend the following amend-
ments thereto, viz:

First. That Section 16 of said
Act be amended so as to read as
follows:

"Section 16. All real and per-
sonal property and the interest of
any person in any real or personal
property shall be assessed sep-
arately as to each item thereof for
its full cash value. Provided, how-
ever, that in all cases where real
and personal property or several
classes or kinds or parcels of real
or personal property respectively,
are combined and made the basis
of an enterprise for profit, the
combined property forming such
basis of such enterprise for profit
shall be assessed as a whole on its
fair and reasonable aggregate
value."

In estimating the aggregate
value of each such enterprise for
profit, there shall be taken into
consideration the net profits made
by the same, and all other facts
and considerations which reasonably
and fairly bear upon such valua-
tion.

In ascertaining the aggre-
gate value of the property
constituting an enterprise
for profit for the purpose indicated
by this Section, there shall be ex-
cluded therefrom the value of
shares, in other Hawaiian Cor-
porations, held or owned by such
enterprise, and all property on
which specific taxes are levied.

And further provided, that
when any real estate or house is
leased or rented, the sum of eight
years' rental thereof shall be the
assessment value of such real es-
tate or house, unless such valua-
tion shall be manifestly unfair or
unjust."

Second. By adding a new Sec-
tion after Section 66, to be called
Section 67, to be worded as fol-
lows, viz:

"Section 67. If any of the
property by this Act directed to
be returned shall consist of real

and personal property, or several
classes or kinds or parcels of real
or personal property respectively,
which are combined and made the
basis of an enterprise for profit,
the person making the return
shall give a detailed description
of such property and state the
aggregate value thereof, taking
into consideration the net profit
made by the same and all other
facts and considerations which
reasonably and fairly bear upon
such valuation.

He shall state what, if any, the
net profits of such enterprise have
been during the twelve months
next preceding; and if known
what sale or sales of stock or
other interest in such enterprise
have taken place during the
twelve months next preceding,
giving the name of the person
selling, the person buying, the
number of shares or proportion
of interest sold upon each sale;
and, when known, the purchase
price thereof."

Third. By adding four new
Sections after Section 80, to be
called Sections 81, 82, 83 and 84,
and to be worded as follows, viz:

"Appeal to Supreme Court.

Section 81. If any tax appeal
court shall reduce the valuation
of any property below the valua-
tion placed thereon by the As-
sessor so that such reduction shall
amount to five thousand dollars or
upward: Or shall value the prop-
erty of any tax-payer at five
thousand dollars or more, great-
er than the valuation placed there-
on in his tax return by the person
making the return thereof;

The Tax Assessor or the tax-
payer, as the case may be, may at
any time within twenty days ap-
peal to the Supreme Court from
such decision of such tax appeal
court, by filing a notice of appeal,
and if the appellant is the tax-
payer, depositing with the chair-
man of such court the sum of one
hundred dollars, or file in lieu
thereof, a bond with sufficient
surety to the Clerk of the Sup-
reme Court in the sum of One
Hundred Dollars, conditioned to
pay all costs of such appeal in
case the same is not sustained.

"Certificate of Appeal to Sup-
reme Court.

Section 82. Upon any appeal
being perfected as aforesaid the
Chairman of the Tax Appeal Court
from which such appeal is taken
shall immediately certify up to
the Supreme Court the record of
all proceedings had before such
Tax Appeal Court, in and con-
cerning such cause, in which cer-
tificate there shall be set forth:

(1) The valuation of the prop-
erty in dispute, claimed by the
assessor.

(2) The valuation of the same,
claimed by the tax payer.

(3) The valuation placed there-
on by the Tax Appeal Court.

"Such certificate shall be ac-
companied by a copy of the
evidence taken before such Tax
Appeal Court and the decision of
such Court in such cause.

"Evidence on Appeal to Sup-
reme Court.

Section 18. Upon any appeal
to the Supreme Court under the
provisions of this Act, the evidence
taken before the tax appeal court
in connection with such appealed
cause shall be considered by the
Supreme Court, and it may also
in its discretion allow further
evidence to be introduced by
either party.

"Costs on appeal to Supreme
Court.

Section 84. The costs of any
such appeal to the Supreme Court
to be paid by the tax-payer, if the
decision of such Court is against
him, shall be the same as in other
appeals to the Supreme Court.
No costs shall be assessed to or
payable by the assessor. If the
decision of such court is in favor
of the taxpayer, he shall not pay
any of the costs of such appeal."

Senator McCandless from the
same committee presented a reso-
lution that the members of the
press be permitted free access and
use of all the data in the posses-
sion of the special tax committee,
but that the same be returned by
the chairman of the committee for

THE BASE BALL SEASON.

THREE CLUBS ENLISTED AND A FOURTH WANTED.

Ground Needs Attention—Give the
Boys Encouragement—Hint
to Manager Pain.

The first practice of the season
was had yesterday afternoon at
the ball park, when members of
the new Star club for this year
started to get into form to wipe
the earth up with every other club
in the city. There is no doubt
that this year's games will be far
superior to those of last year.
Three clubs are already formed—
the Stars, Kamehamehas and
Alumni, and while we are about
it why not have a four-club league?

There is plenty of new material
in town that will play ball, in fact
a fourth club is partly formed, on-
ly lacking a pitcher. The Stars
have Jack Low, Wood, and Lion-
el Hart. If they could be induc-
ed to release one of these men the
fourth club would be assured.
This would add to the interest of
the game, as the new players are
all young business men and many
of them very good ball players.

Another thing, the grounds are
in very bad shape for practice and
should be attended to at once.
They need a good wetting down
and the heavy roller should be
used. There are a few base ball
enthusiasts who get up teams each
year and play themselves, practic-
ing on an average three nights a
week that the Honolulu public
may be amused on Saturday after-
noon. Very often these few
leaders have much difficulty
in inducing players to engage
for the season's play, and the least
the Association can do is to put
the grounds in perfect order.

Give the boys encouragement.
Base ball is popular in Honolulu,
but if the spectators are compelled
to sit ten or fifteen minutes after
the game is supposed to be called,
to wait for a tardy umpire or
something else, it soon becomes
monotonous, and people will not go.
Another thing, Manager Pain
ought to issue passes to players,
said passes to be used only on the
day of game. Many of the boys
are out of pocket each year for
different things, and as the street
car company makes considerable
money on the games, it is no more
than right that it should make
concessions. The writer does
not wish to run Mr. Pain's busi-
ness, but merely offers the above
as a suggestion.

The personnel of the teams this
year will be unusually strong and
the boys will certainly put up a
very stiff set of games, and it is to
be hoped that all petty jealousy
will be laid aside and the games
played for sport only.

THE CRANK.

THE WATERHOUSE STORES.

The Fort Street Establishment For-
chased by E. W. Jordan.

The Fort street store, known as
the No. 10, of the Waterhouse
estate will pass into the hands of
E. W. Jordan as soon as the ne-
cessary papers can be made out,
he having purchased the entire
stock and fixtures thereof. Mr.
Jordan has conducted the store as
manager for some fifteen years,
and hereafter he will be the sole
owner and proprietor of the same.

The sale of the Fort street
business does not affect that of
the Queen street stores, which
will remain intact as before, with
their wholesale and retail depart-
ments, and be conducted by the
J. T. Waterhouse estate under the
same management as heretofore.
The improvements inaugurated in
the crockery department of the
Queen street stores are to be ex-
tended to the adjoining stores, and
new lines of goods will be put
forth to meet the wants and
wishes of the numerous patrons
of this old established business.

IN THE HIGHER COURTS.

APPEAL OF SCHOONER HENRIETTA IS DISMISSED.

Rudolph Spreckels Denied Relief in
Equity—Perjury and Fraud
Charged on a Bankrupt.

The Supreme Court has render-
ed a decision in the matter of the
British schooner Henrietta. With
Chief Justice Judd and Justice
Frear there sat on the case W. A.
Kinney, barrister, in place of
Justice Whiting, disqualified from
having, while a Judge of the Cir-
cuit Court, made the decree of
condemnation against the vessel.
Justice Frear is author of the de-
cision. It finds that opium is an
article capable of being smuggled.
Also that the repeal of an Act,
which merely excepts a particular
class of goods from the provisions
of a general tariff law that con-
tinues in force, operates to bring
that class again under the general
law. Also, that the master's claim
for articles as his personal prop-
erty is disallowed, the articles
being appropriate for the safe
navigation of the vessel. Also,
that the seamen's wages are dis-
allowed, the voyage being illegal
and the seamen not appearing to
be innocent of the illegality. The
decree is affirmed. Attorney
General W. O. Smith for libellant;
Hartwell, Thurston & Stanley for
claimants.

In the equity suit of Rudolph
Spreckels vs. Pauhanu Plantation
Company, the Supreme Court has
rendered a decision, written by
Chief Justice Judd. It came up
on an appeal of defendant from
Circuit Judge Perry, overruling
a demurrer to the bill. The pray-
er of the bill was to enjoin defen-
dant from paying dividends
claimed by plaintiff into a bank.
The Supreme Court sustains the
demurrer on the ground that
plaintiff has a plain, adequate
and complete remedy at law. The
bill not alleging that equity
should take jurisdiction to avoid a
multiplicity of suits, the Court
does not consider the question.
Hartwell, Thurston & Stanley for
plaintiff; Kinney and Ballou for
defendant.

J. F. Hackfeld, assignee in
bankruptcy of S. Erlich, has filed
further objections to discharge
of the bankrupt. They are that he
had sworn falsely upon an ex-
amination in the proceedings and
that he had made fraudulent pay-
ments.

Judge Perry has appointed W.
A. Wall as commissioner to parti-
tion real estate in the equity suit
of Elizabeth K. Booth vs. Kapua-
kela. Edgings for plaintiff; Kin-
ney and Ballou for defendant.

Death of L. C. Kelley.

L. C. Kelley, a son-in-law of H.
M. Whitney, who arrived on the
last trip of the R. P. Rithet, died
yesterday afternoon of consump-
tion, aged 66 years. The funeral
will take place from the residence
of H. M. Whitney this afternoon
at 4 o'clock, interment to be in
Nuuanu cemetery. Mr. Kelley,
as well as his wife, was a member
of the Oakland Unitarian church,
of which Rev. Chas. Wendte is pas-
tor. He was a native of Cape Cod,
Mass. For thirty-two years he was
connected with the Sather Bank-
ing Co. of San Francisco.

Auction Sale of Manoa Lots.

There were plenty of people
present at Morgan's auction sale
of Manoa lots today but few bid-
ders. Lots 6 and 7 were knocked
down to J. A. Magoon for \$300
each and the sale of the balance
discontinued.

The citizens of Amesbury, where
John G. Whittier made his home
during the latter years of his life,
are planning to make the house
where he spent many years a pub-
lic library.
